

HOOT

under the stars

Dear Area Business Owner,

We are contacting you on behalf of the Children's Brain Tumor Family Foundation. The CBTF is a non-profit 501(c)3 organization dedicated to raising awareness and funds to support the Children's Brain Tumor Project. We joined the CBTF in memory of our daughter, Allie "Little Owl" Fisher. Allie died from an inoperable form of brain cancer, gliomatosis cerebri, when she was three-years-old. This type of brain tumor is 100% fatal, and we were completely helpless to save her.

From this tragedy, we have made it our mission to support research into these inoperable forms of pediatric brain cancer. We donated Allie's tumor to the Children's Brain Tumor Project after she died, and with it, they have discovered a new cancer mutation that they are targeting for treatment. The Children's Brain Tumor Project is funded by families that have been devastated by these inoperable tumors. We are dedicated and compelled to see a day when no child will suffer such a fate.

Will you help us stop pediatric brain cancer by sponsoring or donating for the 1st Annual Hoot Under the Stars? Hoot Under the Stars is a 250 person dinner and silent auction being held on October 12th at the Museum at Prairiefire in Overland Park, KS.

We need your support. Sponsorship packages are available and are a great way to raise the profile of your business while helping children suffering from pediatric brain tumors. We need donations of high-quality items, gift cards, and experiences for the silent auction. We would love to have your support. No donation is too small, and we truly appreciate anything you are willing to give.

Thank you for considering donating and/or sponsoring Hoot Under the Stars.

Sincerely,

Kelly A. Fisher
